1. Provision of Potable Water 2. Supplementation of Seminarians' School Fees
7. A short description of your Diocese/Religious Order or Organization
The Catholic Diocese of Wiaowo was carved out of the Sekondi Takoradi Diocese on December 22, 1999 by Pope St. John Paul II. It was inaugurated with the ordination and installation of Most Rev. Joseph Francis Kweku Essien as the first Bishop on March 25, 2000. Upon his resignation, I, Most Rev. Samuel Nkuah-Boateng was appointed by Pope Francis on January 26, 2023. The Diocese has a population of 49,671, with 26 parishes and five Rectories. It has 60 priests, 50 seminarians, 5 Religious sisters and 6 Religious brothers. The Diocese is predominantly rural, with majority of its people engaged in subsistence farming for their livelihood.

8. How did you use the funds to implement the project

With fifty Seminarians in formation, the Diocese spends approximately \$771.86 on the education of each Seminarian, bringing the total cost of the formation annually to \$38,593.

Through the generous support of the Diocese of San Diego, a total of \$5,124.98 was used to supplement the seminarians' fees while \$2,875.02 was allocated to supplement the provision of potable water for the pupils of St. Joseph Preparatory and Junior High School.

9. Do not forget to attach photos or videos. You may give the link to YouTube video here

10. Name and contact details of the person submitting this report
